Sail 4 Epilepsy

MISSION

To inspire people with epilepsy
to take **One More Step** towards
achieving a fuller life.

Philip Haydon is an internationally recognized neuroscientist with medically controlled post-traumatic epilepsy. He is sailing the oceans of the world to:

- inspire people with epilepsy
- raise funds to support research for a cure
- promote awareness of epilepsy and educate the public

Become a Virtual Shipmate by taking the One More Step Challenge at www.sailforepilepsy.org/OMS.
